

# MAY 1-15 SALES

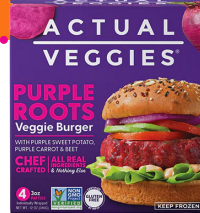

Three Trees  
PLANT MILKS  
no fillers

**\$5.49**

*So many plant milks are watery and unsatisfying. That's because so many of them are... water. Three trees uses water, too, of course. But they use a nice solid amount of real nuts or seeds. No cheap fillers. Unsweetened, or sweetened with pure dates.*

Entire Line on Sale

Actual Veggies  
BURGERS + FRIES

# DEBRA'S NATURAL GOURMET

EAT WELL BE HAPPY

Badger Co.

**ALL SUN + BUG**

**save 20%**

We love Badger, a true family company out of New Hampshire. The husband was a carpenter; the wife made him a salve; a company was born. Now the daughters are involved. Everything is clean, natural, simple, and effective. Reef-friendly mineral sunscreens, and effective bug stuff.
